A CAMPAIGN FOR OUR FUTURE

## PARISH NEEDS

In order to remain in compliance with code and to maintain safety, we will **update the electrical panel** in the rectory with new breakers.

We know it's hot out, and there's no need to sweat during Mass! A second important project will **upgrade the air conditioning** in the church.

Although we have not received any estimates for **replacing the roof on the church**, we do know that a metal roof will be best due to the high temperatures and severe weather we endure throughout the year. The new roof will cost much more than our parish share. However, with your help, we will begin securing funds for this much-needed project. Then our Pastoral and Finance Councils will start getting estimates on costs and available options.

## From Our Parish Chair

"The needs of Our Lady of Perpetual Help are many, and this campaign will put us on a path toward attending to these needs. The outcomes will take time but through diligent work from our families they can be achieved. We can do all things through Jesus Christ who strengthens us."

*Ella and Winston Williams*

## OUR LADY OF PERPETUAL HELP CAMPAIGN GOAL: \$111,573

Our Lady of Perpetual Help will benefit from the *Return to the Lord* Capital Campaign by sharing funds collected with the Diocese of Lake Charles. Twenty cents of every dollar collected during the campaign will return to our parish to address our needs. When we exceed our campaign goal, eighty cents of each dollar raised will be returned to our parish.

## OUR PARISH PLANS

Update Electrical Panel	\$7,000
Air Conditioning Improvements	\$6,000
Church Roof Replacement	\$35,000
.....	
<b>TOTAL</b>	<b>\$48,000</b>
