A CAMPAIGN FOR OUR FUTURE

PARISH NEEDS

Nearly every parishioner who attends Mass here knows that we have ongoing problems with the CCD Building and the parish rectory roofs.

As part of this campaign, our parish will use funds we receive to do a complete replacement of the CCD Building Roof. We will repair all structural damage that has accumulated over the years and replace the deck and shingles. In addition to making it look nice, a new roof should also help reduce heating and air costs.

After that is complete, the next item on our "to-do list" is to make repairs to the rectory roof. Finally, while we are fixing those roofs, we will have the contractor inspect the roof of our church and church hall to see what issues may need to be addressed in upcoming years.

From Our Parish Chair

"Bishop Provost has impeccable timing. Always looking to the future, all the projects he has earmarked in the 'Return to the Lord' capital campaign are right on the mark to meet our diocese's growing needs."
